

*Imagine a fully-autonomous, diesel-electric submarine “mothership” on this scale...but hovering beneath the waves...with the people replaced by conventional, battery-powered Autonomous Underwater Vehicles (AUV) coming and going...and built like a dirigible or blimp...not a “steel can”....*

**nU-Boats LLC**  
THE SUBMARINE REIMAGINED...

*“Manned Cloud” - Jean-Marie Massaud*
