OCEAN
EXCHANGE

Collaborate & Accelerate Scientific & Technological Innovation

**Fast Facts
About Us
Eight Successful Years**

Extend Your Cross Industry Network

Mission

OceanExchange.org 501c3

- The Ocean Exchange is an international platform to accelerate the adoption across industries of solutions that positively impact the environment, economies, and health, while respecting cultures around the world.
- Operationalized via:
Two \$100,000 awards, one \$10,000 collegiate award; annual focus areas currently about sustainable oceans and coastal environments, and UN SDGs that support sponsor business objectives; event with impactful people who might not intersect otherwise; development and networking of int'l ecosystem for the benefit of solution providers & sponsors.

By The Numbers

Eight Years
