

NSF MG&G Geological Samples Repositories Virtual Town Hall

Hosted by:

Lamont Doherty Earth Observatory Core Repository
Oregon State University Marine and Geology Repository
University of Rhode Island Marine Geological Samples Laboratory
Woods Hole Oceanographic Institution Seafloor Samples Repository

Are you:

- a frequent sample requester?
- someone who has wondered where samples go after an expedition?
- in need of data for a paper or proposal?
- wondering where your sample collection might land when you retire?

Join the curators on Zoom **September 8, 2021 3-4:30 pm EDT** for an introduction and discussion of the sample repositories.

Complete our survey to help shape our conversation.
